7 UNITED STATES DISTRICT COURT
8 WESTERN DISTRICT OF WASHINGTON
9 AT SEATTLE

10 BRADY EDMONDS,

11 Plaintiff,

12 v.

13 AMAZON.COM, INC., et al.

14 Defendants.

CASE NO. C19-1613JLR

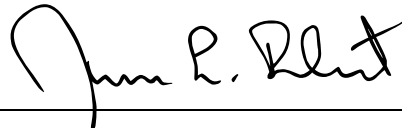

ORDER DENYING PLAINTIFF'S
MOTION FOR
RECONSIDERATION

15 Before the court is Plaintiff Brady Edmonds's motion for reconsideration of the
16 court's October 9, 2020, order denying Mr. Edmonds's motion for issuance of notice to
17 similarly situated individuals and motion to toll the statute of limitations. (*See* MFR
18 (Dkt. # 81); *see also* 10/9/20 Order (Dkt. # 80).) Motions for reconsideration are
19 disfavored, and the court ordinarily will deny such motions unless the moving party
20 shows (a) manifest error in the prior ruling, or (b) new facts or legal authority which
21 could not have been brought to the attention of the court earlier through reasonable
22 diligence. Local Rules W.D. Wash. LCR 7(h)(1).

1 The court has carefully reviewed Mr. Edmonds's motion. Mr. Edmonds presents
2 no new facts or legal authority that could not have been brought to the court's attention
3 earlier with reasonable diligence. (*See generally* MFR.) Instead, Mr. Edmonds asserts
4 that the court failed to apply the correct legal standard to determine if preliminary
5 certification and issuance of notice to similarly situated individuals were proper under the
6 Fair Labor Standards Act of 1938, 29 U.S.C. § 216(b). (*Id.* at 4-7.) These issues were
7 fully analyzed and discussed in the court's order denying the motion for issuance of
8 notice. (*See* 10/9/20 Order at 7-15.)

9 Mr. Edmonds makes neither of the required Local Rule LCR 7(h)(1) showings.
10 (*See generally* MFR.) The court thus DENIES Mr. Edmonds's motion for
11 reconsideration (Dkt. # 81).

12 Dated this 2nd day of November, 2020.
